

Life Science Research Markets: Asia Minor & Arabian Countries, 2004

1. Introduction to Asia Minor & Arabian Countries	1
2. Country Profiles Overview	3
3. Individual Country Descriptions – Greece	6
3.1 Greek General Business Environment	6
3.2 Greek Science, Technology & Research Environment	7
3.3 Greek Biotechnology & Life Science Research Environment	9
4. Individual Country Descriptions - Turkey	17
4.1 Turkish General Business Environment	17
4.2 Turkish Science, Technology & Research Environment	19
4.3 Turkish Biotechnology & Life Science Research Environment	22
5. Individual Country Descriptions – Israel	25
5.1 Israeli General Business Environment	25
5.2 Israeli Science, Technology & Research Environment	26
5.3 Israeli Biotechnology & Life Science Research Environment	28
6. Individual Country Descriptions – United Arab Emirates, UAE	36
6.1 UAE General Business Environment	36
6.2 UAE Science, Technology & Research Environment	37
6.3 UAE Biotechnology & Life Science Research Environment	39

7. Individual Country Descriptions – Egypt	41
7.1 Egyptian General Business Environment	41
7.2 Egyptian Science, Technology & Research Environment	42
7.3 Egyptian Biotechnology & Life Science Research Environment	44
8. Individual Country Descriptions – Iran	48
8.1 Iranian General Business Environment	48
8.2 Iranian Science, Technology & Research Environment	49
8.3 Iranian Biotechnology & Life Science Research Environment	50
9. Individual Country Descriptions – Other Arabian Countries	52
9.1 Other Arab States General Business Environment	52
9.2 Other Arab States Science, Technology & Research Environment	54
9.3 Other Arab States Life Science Research Environment	56
10. Life Science Research Business Analysis	59
10.1. Local Biotechnology	59
10.2 Segment Distribution	60
10.3 Life Science Research Products Market	62
10.4 Competitive Situation, 2004	72
Appendix – Product Descriptions	75
