

# 1. Introduction & PurpLife Science Research Markets: Stem Cell Research

The set of Core Report and two annual Updates is now complete and the Contents Lists for all three reports is given here.

## Core Report, 2005

<b>1. Introduction to Stem Cell Research</b>	<b>1</b>
1.1. Summary of the Rationale for Stem Cell research	1
1.2. Current Research Status	4
1.3. Ethical & Philosophy Issues	9
<b>2. Stem Cell Research Technology</b>	<b>12</b>
2.1. Basic Scientific Principles	12
2.2. Sources of Stem Cells & Options to Address Ethical Issues	19
2.3. Embryonic versus Adult Stem Cell Source Options	23
2.4. Review of Global Stem Cell Research Groups	25
2.5. User Needs and Technology Trends	32
2.6. Segment Analysis & Quantification	39
2.7. Regulatory & Political Developments	44
<b>3. Stem Cell Research Reagents</b>	<b>48</b>
3.1. Research Techniques & Reagent Products Used	48
3.2. Products & Services Classification of Reagents & Technology Users	52
3.3. Market Description of Researchers –Segment Profiles, Quantification	53
3.4. Trends in Reagent Developments & Users	64
3.5. Suppliers of Commercial Reagent Products & Equipment	67
3.6. Profiles of Key Reagents & Equipment Supply Companies	69
<b>4. Stem Cell Research Applications &amp; Future</b>	<b>75</b>
4.1. Why is there need	75
4.2. How is the need met and why are Stem Cell Methods better than alternatives	78
4.3. What are the Main Application Areas for Stem Research	82
4.4. Global review of Applications for Stem Cell Therapy	93
4.5. Commercial Stem Cell Research & Profiles of Companies	96

# FIGURES

Figure 36. Commercial Stem Cell Research Companies – Drug Toxicity Application	98
Figure 37. Commercial Stem Cell Research Companies – Cell Therapy Application	99
Figure 38. Commercial Stem Cell Research Companies – Regeneration Application	101

# ABA 273: Update: February 2008

<b>9. Introduction &amp; Purpose.</b>	<b>1</b>
<b>10. Political &amp; Funding Developments for Stem Cell Research, 2007</b>	<b>4</b>
<b>11. Technology, Product &amp; Application Developments, 2007</b>	<b>9</b>
<b>12. Stem Cell Research Market Quantification, 2007</b>	<b>19</b>
<b>13. Application of Cell Based Assays in Pharmacokinetics &amp; ADME/Tox</b>	<b>25</b>
<b>14. Stem Cell Research Market – Future Developments</b>	<b>35</b>
