

Life Science Research Markets: The Blue Biotechnology Market & Derived Reagents, 2005

1. Technology Overview	1
2. Non-Marine Alternatives	6
3. Competitive Positions & Customer Needs	9
4. Pricing Factors for Marine Biotechnology Products	11
5. Market Quantification & Dynamics	15
5.1. Potential Uses for Marine Biotechnology Products	15
5.2. Aquaculture	20
5.3. Fish Waste Enzymes & Other Enzymes	24
5.4. Fish Waste Proteins & Other Marine Proteins	30
6. Life Science Research Reagents Quantification & Dynamics	41
6.1. Product Used for Marine Biotechnology Research	41
6.2. Global Research Reagent Market Country Distribution	43
6.3. Global Research Reagent Market Segment Distribution	46
6.4. Global Research Reagent Market Product Group Distribution	50

FIGURES

1. Technology Overview	1
Figure 1. Comparative Priority Areas for Biotechnology in Pacific Rim Area, 2005	2
Figure 2. Products & Applications of Marine Biotechnology Products, 2005	4
Figure 3. Market Drivers for Development of Marine Biotechnology Products, 2005	5
2. Non-Marine Alternatives	6
Figure 4. Target Areas for Marine Biotechnology Research in Europe	6
Figure 5. Comparative Investment in Marine & All Biotechnology, 2005	8
3. Competitive Positions & Customer Needs	9
Figure 6. Segment Basis of Competition Element Weighting: Marine Products, 2005	9
4. Pricing Factors for Marine Biotechnology Products	11
